DONNA EVERY

Donna Every is the author of nine (9) books, a speaker and business teacher. She is a Chartered Accountant by training and previously worked with the EY Barbados Office for a decade. During that time, she functioned in the Audit and Corporate Finance and, Entrepreneurial Services departments, before starting her own business in 1998.

She is a Barbados Youth Business Trust mentor and a member of the Education and Talent Development Pillar of the Barbados Entrepreneurship Foundation.

She has been featured on radio stations across the US and on the cover of the June 2010 US magazine, Personal Excellence, for her article "Beating the Economy" based on her first book. She has ministered in Barbados and the USA and, was one of the featured speakers at the 2011 Congress of Caribbean Evangelical Churches in Guyana.
