

Dwayne Howard

Apostle Howard's journey started in his fourteen year service in full-time ministry as a key leader of New Dimensions Ministries in Barbados, one of the largest ministries in the Eastern Caribbean region. Here he served under the leadership of Apostle Dr. Stephen Holford. In 2018 Dwayne and his family relocated to Florida, and since then has also served as the Senior Pastor of Faith and Life Fellowship Ministries in Hollywood Florida. At present, Dwayne is now the founder and senior leader of Awake The Flame Ministries, a global ministry that is called to awaken a passion for Jesus in the hearts of all men across the globe.

As a 2002 graduate of the Christian International Ministry Training College in Destin Florida, a school founded by Dr. Bill Hamon, Dwayne graduated with his Masters in Ministry and Biblical Studies. In 2020, Dwayne was set apart as an Apostle to the Body of Christ by Bishop Bill Hamon and his senior presbytery team at Christian International, an organization that covers thousands of Kingdom leaders across the globe. He now serves as a ordained minister in the Christian International Apostolic Network.

Over the years Dwayne has been used by God to raise up hundreds in their callings and giftings, as his purpose is found in helping others fulfill their own. He has helped many to discern the voice of God for themselves, empowering them to flow accurately in Godly character and prophetic discernment. He has also penned worship songs, and has instituted training that continues to raise up prophetic worship leaders and musicians.

Dwayne is also an internationally qualified counselor, having over twenty years of professional counseling experience. He trains and mentors leaders of varying spheres ranging from business to the pulpit, is a John Maxwell Certified Coach, a bible-school teacher, and an author. Dwayne has written four manuals that focus on prophetic development, another exhaustive manual on understanding dreams and visions, and his latest manual and course with emphasis on leadership development, entitled Leader Ecology. In December 2021, he released his first published book entitled, "Spring Up O Well!" It's focus is very pragmatic, equipping believers to use their God given gifts to touch their world, and it is available in all major bookstores, in both digital and printed formats.

A dynamic speaker, he is often found regularly behind the pulpit of his local church, while also traveling to the wider body of Christ, both locally and internationally. His absolute love is to counsel and mentor individuals into fulfilling their purpose and walking in wholeness. He is also keen in business, as an entrepreneur of two successful companies with emphasis in technology and digital marketing.

Igniting the lives of thousands with purpose through preaching the word and transformative prophecy, empowering and fathering leaders worldwide, releasing the demonstration of the supernatural, and seeing many souls return to their first love Jesus Christ, Dwayne continues to run with his mandate from the Lord which he received from a life changing personal encounter. This mandate that he received from this personal encounter with Jesus, is to contend for the release of the spirit of wisdom and revelation in the knowledge of Him, both in the Body of Christ and the world at large (Ephesians 1:17, Habakkuk 2:14).

Dwayne is foremost a family man, and is happily married to his teenage sweetheart and wife of over sixteen years, Tao Howard. She is also an ordained and licensed minister, co-laboring with him in the work of the ministry. He is also the father to three outstanding young men, Isaiah, Seraph and Jayden Howard .
